● CURRENT STAGE

Under Client Review

● FEATURES BUILT

12 of 12 Complete

● NEXT MILESTONE

Deployment

Tap "View Live" to Open the Website

The link above opens directly in your phone or computer's browser. Take your time exploring every page — we've outlined exactly what's ready for review on the following pages.

• WHAT'S BEEN BUILT

Completed Features

Every core feature of your website has been designed, developed, and tested. Here's a full breakdown of what's ready.

Premium UI/UX

A refined, modern interface designed to reflect your brand's quality.

Responsive Design

Looks and works flawlessly across mobile, tablet, and desktop.

Construction Packages

Clear, structured presentation of your service packages and pricing tiers.

Projects

A dedicated showcase gallery to highlight your completed work.

Services

Well-organized service listings so clients quickly find what they need.

Contact Form

A simple, direct way for potential clients to reach out and inquire.

WhatsApp Integration

One-tap WhatsApp chat button for instant client conversations.

Call Button

Direct one-tap calling for immediate contact from any device.

Google Maps

Embedded map so clients can easily locate your office or site.

SEO Friendly

Structured for search engines to help SRAJ get discovered online.

Fast Performance

Optimized load speeds for a smooth experience on every device.

Secure Hosting

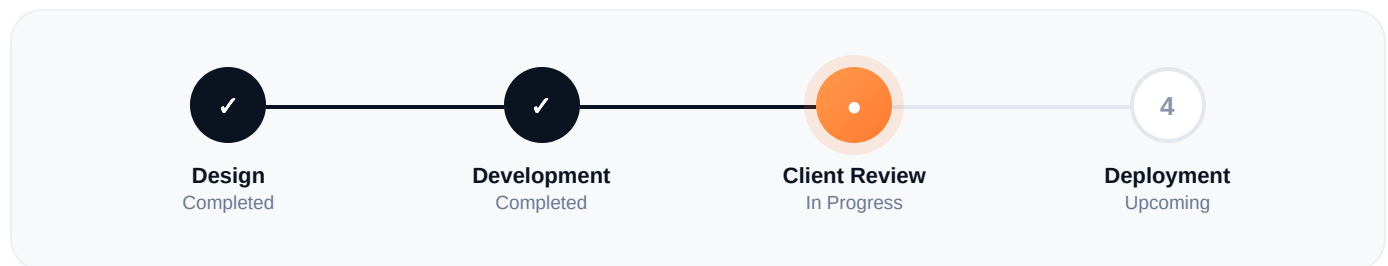

Reliable, secure infrastructure keeping your site safe and available.

● WHERE THINGS STAND

Current Progress

Your website has moved through design and development, and is now in its final checkpoint before going live.

The Website Is Under Review

All 12 core features listed above are built and live on the demo link. We're currently in the final review stage — this is your opportunity to explore the site fully and confirm everything meets your expectations before we move to deployment.

• WE'D LOVE YOUR INPUT

Feedback Required

Please take a moment to review the live demo and let us know if any of the following need adjustment:

01 Design Changes

Layout, colors, imagery, or overall visual styling

02 Content Changes

Text, wording, package details, or project descriptions

03 Feature Changes

Any additional functionality or adjustments to existing features

• ONCE YOU APPROVE

What Happens Next

As soon as your feedback is confirmed and the website is approved, we'll move forward with the final steps to take it live.

01

Domain Purchase

Securing the right domain name for SRAJ Construction & Interior.

02

Domain Connection

Linking your domain to the website for a seamless address.

03

Final Testing

A last full pass across devices and browsers before launch.

04

Live Deployment

Your website goes live for the world to see.

WITH GRATITUDE

Thank You for Your Trust, SRAJ Construction & Interior

It's been a pleasure building your website, and we're looking forward to seeing it go live. Please take your time reviewing the demo — we're here for any questions or changes you'd like to make.
